FOR IMMEDIATE RELEASE

Laurel Street Bridge at I-780-Vallejo Additional Block of Laurel Street Closed 4-Days Starts Tuesday, October 17, 2017

SOLANO COUNTY – The California Department of Transportation (Caltrans) will begin pouring concrete to form the bridge deck of the new Laurel Street Bridge which will require a 4-day closure of an additional block of Laurel Street just north of the bridge.

The old Laurel Street Bridge was demolished in June 2017 and is currently being rebuilt above westbound and eastbound I-780 in Vallejo.

The new Laurel Street Bridge will be constructed to bring the bridge up to the latest seismic safety standards. Construction of the new bridge will be completed as early as November 2017.

Laurel Street CLOSED at Reis Avenue-4-Day Closure

To ensure worker and public safety, northbound and southbound Laurel Street will be closed at Reis Avenue for four consecutive days starting Tuesday, October 27 at 8:00 AM until Friday, October 30 at 5:00 PM. The closure is needed to complete concrete work on the bridge.

Driveways Remain Open

Residents on Laurel Street and Reis Avenue will continue to have access to their driveways. Laurel Street remains closed over I-780. Local detours remain in effect.

Westbound I-780 enter at Cedar Street-Eastbound I-780 enter at Glen Cove

Motorists traveling from Benicia Road to the westbound I-780 entrance will be detoured from Benicia Road to southbound Cedar Street and enter westbound I-780 (towards Downtown Vallejo and I-80) from Cedar Street. Motorists on Benicia Road traveling to eastbound I-780 are advised to continue east on Benicia Road, southbound on Glen Cove Road and enter eastbound I-780 from Glen Cove Road.

Detour signs will be posted. Motorists should expect delays. All work is weather dependent.

Laurel Street Bridge Closure-Long-Term Closure

Laurel Street above I-780 will remain closed continuously until construction of the new bridge is completed. Local detours are in effect.
